All patrons receive the following:

- Free Popcorn
- Access to website resources and newsletters
- Access to a variety of films spanning many genres, including free events and locally-produced films
- Community forums! When presenting films where the filmmaker is present or films that have local relevance, we invite you to stay after the event to discuss the issues, share comments, and ask questions
- Volunteer opportunities. You can learn how films are obtained, run an event, arrange guest speakers, assist with marketing and fundraising campaigns, or get involved in a dozen other ways!

Standard level members receive the following additional benefits:

- 60% discount on tickets
- Food from EVO or Park Pizza Co. delivered right to your table before a film
- Ability to reserve a table; never worry about finding a seat again!
- Invitation to exciting and enjoyable special events, such as Dinner and a Movie
- Invitation to membership meetings, where you can learn about the Film Society's future direction and present your own ideas

Green Room members receive all of the above plus:

- 5 free guest passes, allowing you to share the experience with friends or family at no additional expense.

Red Carpet members receive all of the above, plus:

- Preferred event invitation to our most popular events – If you sign up to be notified of upcoming events, you can reserve your seat before the general announcement goes out. Several of these events have been standing room only!
- Recognition on the donor wall – One of our projects is to establish a donor wall to recognize people and organizations that provide outstanding support to the Film Society through their generous donations. Red Carpet members will be added to the donor wall in a special area, noting their commitment to our ongoing success.
- For all films which offer a matinee, free admission to the matinee

But membership is more than the purchase of these wonderful benefits! You are making an investment in the local community. These benefits are just one small way to thank you for your support in strengthening our community and providing a unique, affordable experience that is open to everyone.
